Hi Mr Abadie,

I trust your Holidays were peaceful and well spent. We are in receipt of the revised PSD application and of your MACT application, but do not see the certification and signature page for either, unless I have overlooked it inadvertently. Can you resend both docs along with the appropriate signature and date? As you recall from our letter of Oct 16, applications cannot be deemed active without such certifications.

Thanks

Good Afternoon Mr. Touns,

I trust you had a wonderful Christmas.

We noticed four (4) of the figures in the back of the **Texas GulfLink Case by Case MACT Analysis** document had corrupted text due to converting the file format to PDF.

Please see the attached **Revision B** which has the corrected figures.

While this was a minor change, we apologize for the inconvenience this may have caused. I've also added our USCG/MARAD deepwater port licensing leads for continuity in receiving the updated version.

Thank you so much, and do not hesitate to reach out with any questions.

Happy New Year.

Kind Regards,

**Tyler M. Abadie, P.E.**
